

# Byrgan Cremation and Burial

By Genevieve Laucher

In difficult times, it is important to have someone there who you can trust. When it comes to making funeral arrangements, Byrgan Cremation and Burial in Los Gatos is a small, family-owned business dedicated to helping local families.

Byrgan is owned by the Habing family, who have been in the business for over 75 years and are on the fourth generation in California. The Habing family additionally owns and operates a funeral home, memorial parks, and a crematory in Gilroy, not far from Byrgan's Los Gatos location. With Byrgan, they take families through every step of the process, including bringing their loved one into their care, making funeral arrangements, and preparation and services by their family.

Byrgan Cremation and Burial is very affordable compared to its competitors. They offer funeral plans with National Guardian Life and Homesteaders Insurance. The Habings truly care about helping families, and are available by phone 24 hours per day and never use an answering service.

Andrea Habing, her husband Jim Habing, and his brother Steve, sister-in-law Dianne, and their sons Andrew and Dylan enjoy operating the business together. Their other employees have become like family too, with many of them having been with the business for twenty years or more.

Although losing a loved one is hard, Byrgan's customers have only positive things to say about how the Habings have helped them out. As one customer says, "it has always been the best possible experience in what is a very stressful time."

Byrgan's Counseling Offices are located in downtown Los Gatos at 236 North Santa Cruz Avenue in the Los Gatos- Eureka Building, Suite #107. Contact them at 408-354-6200 or at [byrgan@gmail.com](mailto:byrgan@gmail.com) for a confidential appointment.
